Advanced Technology Video (ATV) Announces New Rep – Fox & Associates

Coppell, TX – December 6, 2012 – Advanced Technology Video (ATV) a leading provider of innovative video security surveillance solutions announces the addition of an old favorite – the addition of Debbie Fox and the team at Fox & Associates back to the ATV family.

Staying true to its commitment to providing excellence in product and customer support, ATV continues to build a solid and experienced national distribution sales and customer support team. *“Having been engaged with ATV in the past we are excited to return back to ATV – a long standing force in the Distribution and Security Industries and we are excited about the new IP Products line”*, reports Debbie Fox, Principle at Fox & Associates.

Bob DeProspero, Director of Sales and Steve Emery ATV’s West Coast Regional Sales Manager are proud to announce the relationships with Fox – a true industry professional. Emery reports, *“Fox and Associates comes to ATV with proven results for customer support and market expansion success. We are proud to announce our association and look forward to serving our customer alongside their organization”*.

Fox & Associates, principle Debbie Fox along with Shannon Connor and Rodger Fox will be offering customer service excellence in the territory of Southern California, Southern Nevada (Las Vegas), Arizona and Hawaii.

About Advanced Technology Video: Advanced Technology Video has been a force in the security business since 1983. Since then, we’ve delivered products with unmatched reliability and value to the security industry. Today we’re stronger than ever, with a complete lineup of CCTV products that set industry standards for dependability and support. Our full line of cameras, recorders and other devices are loaded with features you won’t find anywhere else at the same price. And we back those products with the best customer service and technical support available anywhere. So take a good look at all we have to offer. It’s clear that whatever the needs or the application, ATV offers just what you demand.

Security without compromise
