Advanced Technology Video (ATV) announces 700TVL Vandal Dome for Harsh Outdoor Environments

Coppell, TX – May 15, 2014 – [Advanced Technology Video](#) (ATV) a leading provider of innovative video security surveillance solutions announces the release of its new [CZ7T2812UWCI](#) vandal-resistant dome with Infrared Illumination. The camera is the newest addition to the **ATV Ultimate Series** product line.

The [CZ7T2812UWCI](#) features 700TVL Color Resolution, Advanced Digital Noise Reduction, and Sense-Up (256 x) for low-light applications and a 2.8-12mm Vari-focal Auto-Iris Lens. The camera is equipped with 33 IR LED's for excellent day-and-night visibility. It's IP68 rated and comes with a built-in heater, enabling it to operate in harsh weather conditions. The CZ7T2812UWCI is enclosed within a high impact resistant vandal dome housing which makes it an exceptional choice for a wide range of applications.

"We are excited to continuously offer our customers quality products. Due to its high protection rating and features, this camera is a great solution for almost any outdoor environment," says Bob DeProspero, ATV Business Development Manager.

About Advanced Technology Video: Advanced Technology Video has been a force in the security business since 1983.
