## Advanced Technology Video (ATV) Announces Todd Dunham as ATV's SE Regional Sales Manager

Coppell, TX – January 15, 2014 – Advanced Technology Video (ATV) announces a new regional management addition to the Southeast sales region. Committed to providing excellence in product and customer support, ATV continues to strengthen its solid and experienced regional sales management team.

Bob DeProspero, Director of Sales for ATV, announces the addition of Todd Dunham - an industry veteran with a diverse history in the security market in manufacturer regional sales, security distribution and manufacturer representation with several of the most successful companies as its new Southeast Regional Sales Manager.

Todd was most recently a regional security specialist with a national distributor working with several key national account customers with their IP product needs. Previously Todd performed regional sales management for two national manufacturers and also covered the SE region as a manufacturer representative. Todd joins ATV and will be working with ATV's existing manufacturer's representatives and dealer/integrators to supporting the growing distribution channel with a solid focus on customer and market expansion.

Bob DeProspero, states, *"We are excited for Todd to join our team and support a historically strong SE regional sales territory. We look forward to Todd concentrating his positive energy driving increased sales through our SE distribution partners"*.

**About Advanced Technology Video:** Advanced Technology Video has been a force in the security business since 1983. Since then, we've delivered products with unmatched reliability and value to the security industry. Today we're stronger than ever, with a complete lineup of CCTV products that set industry standards for dependability and support. Our full line of cameras, recorders and other devices are loaded with features you won't find anywhere else at the same price. And we back those products with the best customer service and technical support available anywhere. So take a good look at all we have to offer. It's clear that whatever the needs or the application, ATV offers just what you demand.

### Security without compromise
