Advanced Technology Video (ATV) Announces the WINNER of the 1H-13 iPad mini Contest

Coppell, TX – December 3, 2013 – Advanced Technology Video (ATV) a leading provider of innovative video security surveillance solutions located in Coppell, Texas (Dallas, Texas) announces the award of the first iPad mini during its 2013 promotion. The iPad mini was awarded to Brandon Binder, co-owner of Steel Tech Fire and Security located in Marshfield, Wisconsin.

ATV's on-going iPad mini award is promoted in print and ePromo digital advertising with SSI and SDM industry journals and its own website rotating home page (www.atvideo.com). The promotion is open for all dealers, system integrators and end users. The contest was introduced in January with the opportunity for two winners and has subsequently been a major focus in ATV's marketing and product promotion emphasis throughout 2013. The promotion ended June 30th and the winner was randomly selected from the submitted entries. Mr. Binder was visited and received a product demonstration by Ken Thomas, ATV's Mid-West Regional Sales Manager. The iPad mini was awarded to Mr. Binder by Ken during an award ceremony in Marshfield, Wisconsin.

Steel Tech Fire and Security is a fully integrated fire and safety product company currently obtaining a foothold into the video surveillance and CCTV industry. The company has enjoyed over twenty years of successful business operations and recently acquired new ownership two years ago. Now a family owned business, with a strong desire to meet the need for surveillance in their market, Steel Tech is actively accommodating customers with quality surveillance products and services.

About Advanced Technology Video: Advanced Technology Video has been a force in the security business since 1983.
