Advanced Technology Video Releases Two New 600TVL Box-Style Cameras

Coppell, TX – January 18, 2012 – Advanced Technology Video a leading provider of innovative video security surveillance solutions announces the release of the **C600TDNVL** and **C600TDNW** box style cameras for new general purpose or camera replacement applications.

The **C600TDNVL** is the economy priced 600TVL camera with full TRUE D/N and Digital WDR capabilities. Basic OSD feature set and functions which are easily accessible from the rear camera case will enable this camera to be a new workhorse camera for general purpose applications. The **C600TDNW** is the big sister product offering a few more options such as Digital Pan/Tilt, SENS-UP for low-light image capture (0.0001 lux) and full remote capability via RS-485 interface.

Both cameras are in stock for immediate installation and both cameras are UL listed to ensure product quality and reliability.

About Advanced Technology Video: Advanced Technology Video is an industry leader in innovative security solutions including a complete line of H.264 HDR and VLDVR (Value Line) DVR's, 600TVL day/night, 650TVL WDR, and 690TVL-E Pixim WDR cameras with on-board video analytics powered by IQ²™ technology, LCD/PVM monitors, high-performance PTZ speed domes and specialized covert cameras.
