## Advanced Technology Video Releases Mini-PTZ Series Cameras

Coppell, TX – December 14, 2011 – Advanced Technology Video a leading provider of innovative video security surveillance solutions announces the release of the **SDMV22DW** and **SDMV22DWH** series 22X mini-PTZ cameras – now part of its PERFORMANCE SERIES product family.

The SDMV22 series feature the SONY ExView HAD sensor with 580TVL resolution. The cameras offer 22X Optical and 16X Digital zoom with TRUE D/N and WDR functionality. The cameras provide 360° endless pan and 180° tilt with digital flip, 120 presets and work with most common interface protocols.

The cameras are offered in an interior vandal-proof and exterior vandal-proof with integrated heater, blower and sun-shield configurations. The series is supported with a full line of controllers, distribution units, repeaters and various mechanical mounts. The cameras are UL listed.

**About Advanced Technology Video:** Advanced Technology Video is an industry leader in innovative security solutions including a complete line of H.264 HDR and VLDVR (Value Line) DVR's, 600TVL day/night, 650TVL WDR, and 690TVL-E Pixim WDR cameras with on-board video analytics powered by IQ<sup>2</sup>™ technology, LCD/PVM monitors, high-performance PTZ speed domes and specialized covert cameras.
