## Advanced Technology Video (ATV) Announces NEW 700TVL Vandal Dome Camera

Coppell, TX – August 27, 2014 – [Advanced Technology Video](#) (ATV) a leading provider of innovative video surveillance solutions, announces the release of its new **VD700WDR** [vandal dome camera](#). The camera is the newest addition to the Ultimate Series product line.

The **VD700WDR** is equipped with 1/3" Sony 960H Super HAD II CCD offering 700TVL color resolution, a 2.8mm to 12mm varifocal DC Auto-iris lens and True Day/Night operation to ensure the highest image quality during day or night. The new camera produces excellent video images in low light environments down to 0.1 Lux illumination. The vandal dome which offers True Wide Dynamic Range also has enhanced functions like motion detection, privacy masking, back light compensation, programmable Sens-Up and 3D Digital Noise Reduction for increased video quality and smaller recorded digital file sizes. In addition, the camera housing is IP66 weather resistant and includes a 3-axis gimbal.

*"ATV is happy to further expand our analog product line with affordable solutions that offer excellent performance. We expect many of our existing and new customers to take advantage of the quality and price of these cameras," says Keith Shaver, ATV's VP of Sales and Marketing.*

**About Advanced Technology Video:** Advanced Technology Video has been a force in the security business since 1983. Since then, we've delivered products with unmatched reliability and value to the security industry. Today we're stronger than ever, with a complete lineup of CCTV products that set industry standards for dependability and support. Our full line of cameras, recorders and other devices are loaded with features you won't find anywhere else at the same price. And we back those products with the best customer service and technical support available anywhere. So take a good look at all we have to offer. It's clear that whatever the needs or the application, ATV offers just what you demand.

### **Security without compromise**
