Advanced Technology Video Releases New 700TVL Mini-Domes for Volume Sales Opportunities

Coppell, TX – April 13, 2012 – Advanced Technology Video a leading provider of innovative video security surveillance solutions announces the release of the **FDM700DN** and **VDM700DN** mini domes for volume retail sales. The *DM700DN* series cameras are now part of ATV's ULTIMATE SERIES product family.

The **FDM700DN** and **VDM700DN** series cameras feature 700TVL resolution, digital D/N for low-light applications, a fixed, easy install no-focus 3.6mm lens, 2D-DNR, a simple 3-axis gimbal and are powered by 12VDC. The vandal dome model supports IP66 rating for weather-resistant installations.

The DM700 series are available in handy six-pack configuration for distribution sales and are intended for high-volume installation opportunities.

About Advanced Technology Video: Advanced Technology Video is an industry leader in innovative security solutions including a complete line of H.264 HDR and VLDVR (Value Line) DVR's, IP Products, 600TVL day/night, 650TVL WDR, and 690TVL-E Pixim WDR cameras with on-board video analytics powered by IQ²™ technology, LCD/PVM monitors, high-performance PTZ speed domes and specialized covert cameras.
